MAINTENANCE AGREEMENTS

Maintenance agreements are available for all desktop computer products. Current U.S. rates are to be found in the Maintenance Service and Prices Microfiche, No. 5952-2432D. These agreements represent HP's best level of support. Major advantages to the customer include:

- fixed annual cost,
- priority service response,
- on-site service,
- regular maintenance,
- individualized contracts.

FIELD INSTALLATION

Field installation charges will be quoted on an individual basis by your local sales representative.

WARRANTY

Hewlett-Packard desktop computer products are warranted for 90 days from date of delivery. Equipment that proves to be defective during the warranty period will be repaired or replaced, including parts, labor, and travel expense, if any.
