

HEWLETT  PACKARD

**OVERHEAD TRANSPARENCY KIT**

**17055A**

**FOR HP 7221A & 9872A GRAPHIC PLOTTERS**

TECHNICAL DATA, APRIL 1979

## **DIRECT PLOTTING ON OVERHEAD TRANSPARENCIES**

The Hewlett-Packard overhead transparency kit contains supplies to prepare overhead projection transparencies of charts, graphs, diagrams, and text with HP 7221 or 9872 graphic plotters. Seven vivid colors are available to professionally highlight presentations at meetings, seminars, lectures, or training sessions.

## PROGRAM COMPATIBILITY

Draw overhead transparencies with the same programs you use to prepare graphics on chart paper. Project the details as you present economic trends, engineering or scientific data, marketing plans, profit data, growth strategy, or sales forecasts.

## MULTIPLE PEN COLORS AND WIDTHS

The overhead transparency kit contains 16 pens supplied in black ink and in 6 bright colors – red, green, blue, violet, orange and brown. Two pen widths increase your plot design options. The standard 0.25 mm pen tips are excellent for detail while the wide-line 0.7 mm pens lend emphasis to lettering and accenting.

## SHARP LINES, QUICK-DRYING PLOTS

The durable pen tips consistently draw smooth, sharp-lined, professional-quality graphics at low production cost. Clear film pens write a minimum of 300 metres (986 feet). The ink dries to a hard, smear-resistant finish and slide quality is assured even after repeated handling.

## KIT CONTENTS AND ORDERING INFORMATION

The transparency kit contains all the supplies you will need to produce graphic transparencies from your plotting programs. The kit includes 200 sheets of transparent film 216 x 267 mm (8½ x 10½ in.), a bottle of solvent, and sixteen visual graphic pens in two widths and seven colors, all packaged in a durable storage box. Replacement items are available separately.

PART NO.	DESCRIPTION
17055A	Overhead Transparency Kit
5060-6818	4 Pens (black, red, blue, green), 0.25 mm tip
5060-6819	4 Pens (black, red, blue, green), 0.7 mm tip
5060-6834	4 Pens (black, orange, brown, violet), 0.25 mm tip
5060-6835	4 Pens (black, orange, brown, violet), 0.7 mm tip
5060-6828	Solvent, 29.6 ml (1 fl. oz.)
9270-0639	100 Sheets Transparency Film
