

# IMPORTANT NOTICE: Disc Cache

---

**Note**

The disc cache utility that comes with your computer can only be used with the MS-DOS operating system. If you want to use disc cache with MS-DOS 3.3, see the *HP Vectra Disc Cache Program* manual in this packet. If you want to use disc cache with MS-DOS 4.0, see the documentation that comes with the MS-DOS 4.0 software.
